Promotion Policy

Promotion of students to the next Nilai is determined by the following criteria

- Minimum 70% aggregate in the mid term tests
- Minimum 70% attendance
- Completion of HW, class participation, events participation

If any of the above criteria is not met, the student should repeat the same Nilai for another year.

Higher grade students (County Grade 4+/Age 10 +) with demonstrated Tamil proficiency can be considered for level acceleration, subject to teacher evaluation and recommendation with parent concurrence.

Extended Track

This year we started an extended track program where the ATA syllabus would be covered in 2 years. In those sections, the students will progress to the next Nilai in 2 years.
