

Annual Day Backdrop Decor - You want to be part of this initiative?

For our annual day event scheduled for June 1st, we would like to call upon all students of Valluvan Tamil Academy to provide us with a KOLAM PAINTING on 6 inch by 6 inch square canvas board. There are some strict requirements around the size of the material, color to be used as well as the type of painting. Please adhere to these requirements for us to accept your painting.

Requirements for submission :

- **Size** - Square White Canvas Board measuring **6 inches by 6 inches**.
- **Color** - We want the students to ONLY use one of these colors for the background : Red, Orange, Yellow, Green. Spray paint the canvas board first before you start your painting.
- **Painting type** - We want the students to ONLY either draw PULLI KOLAM or MANDALA DOT PAINTING in round shape OR Free hand flower/bird/fish designs as seen in MADHUBALA PAINTING or normal kolam. All of the paintings have to be in the center of the canvas board.
- Examples are shown below. Please follow them for reference.

Deadline for submission : April 13th, 2024 SATURDAY

Place the completed and dried Canvas in a ziplock and bring it to the award ceremony and drop in the bin provided.

You may ask why we need this - Guess what??? This is going to be part of the CENTER STAGE BACKDROP for Annual Day event.

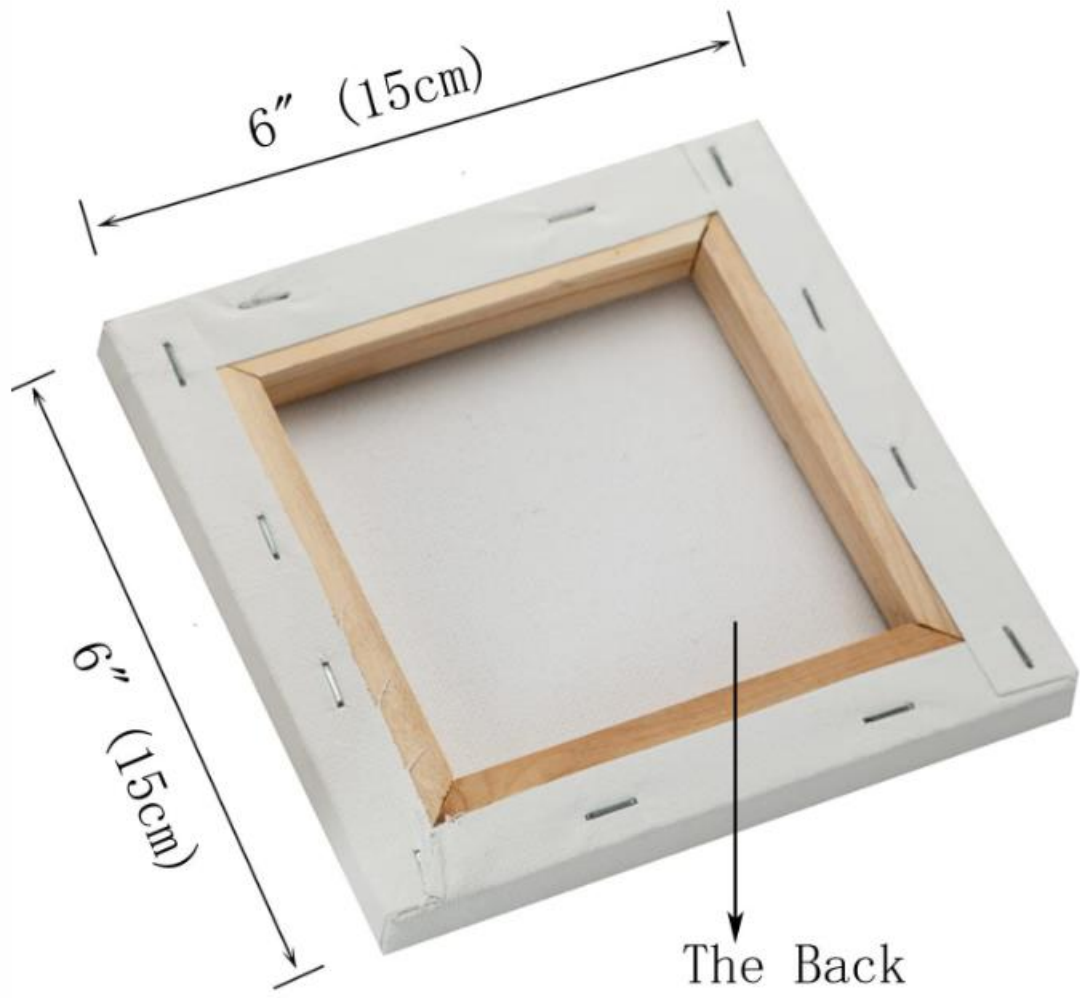

We are attempting to take this initiative to the Guinness Book of World Records. Be part of this historical moment !!! In order for us to even come remotely close to qualifying, we need all students to participate. For younger students, we encourage parents to help them out but we don't want them to miss this opportunity of being part of history.

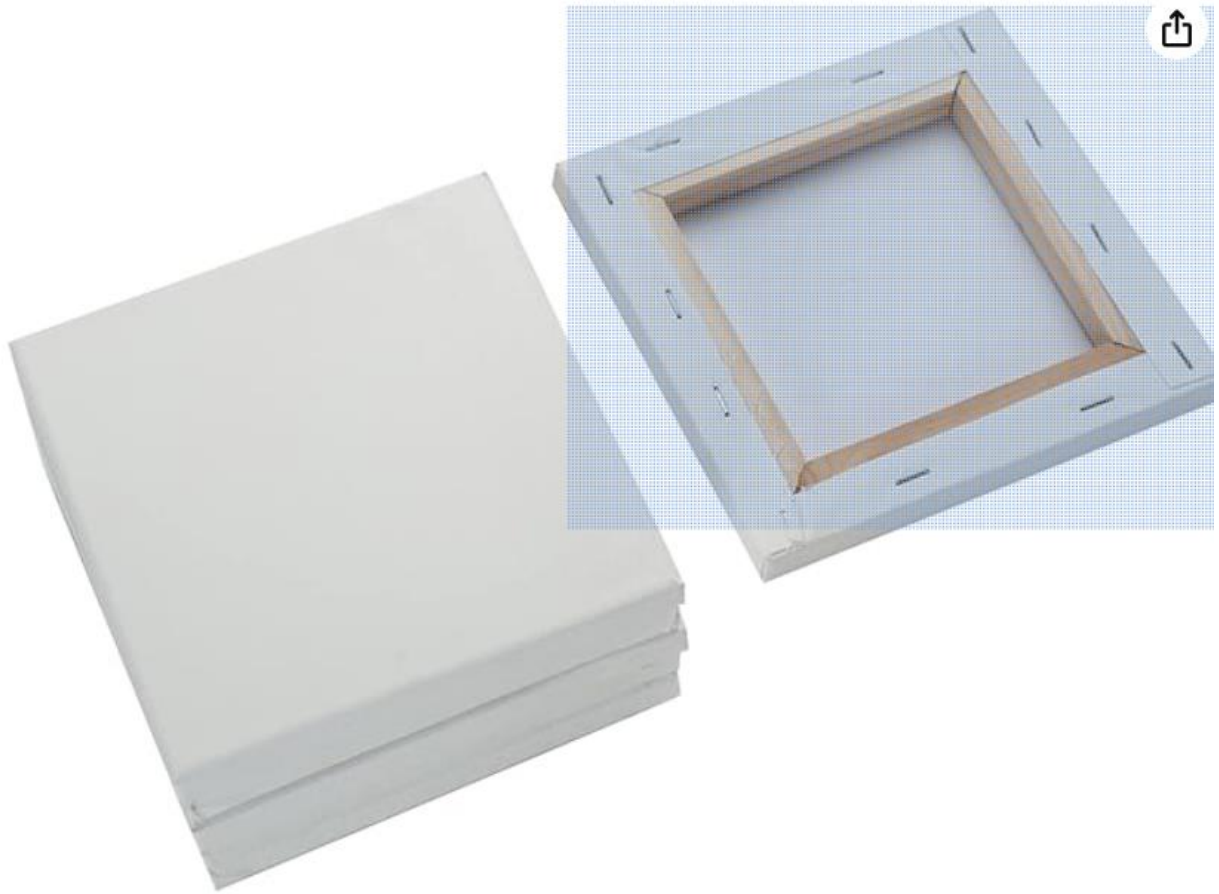

Thanks for your cooperation. Looking forward to some creative innovative creations from you all! Please adhere to the requirements and submit by the deadline. We will not be able to accept any after the deadline as we need to work on putting it all together for the decor.

Notes:

1. ONLY 1 painting allowed per student (1 count of 6x6 canvas)
2. **Student Full name can be written using Ballpoint pen only (no markers allowed) on the back side not anywhere on the front**
3. The details to turn in needs to be added- (Dried Canvas Board can be collected at the front desk or maybe class wise. We need to plan)
